We will continue with lifting each GPCS family up to the Lord. Pray for growth in their relationship with the Lord, for protection of marriage, for wisdom in parenting, for strength when exhausted, for joy in time spent together.

*We ought always to thank God for you, brothers and sisters, and rightly so, because your faith is growing more and more, and the love all of you have for one another is increasing.*  
*2 Thessalonians 1:2-4*
